SEED CORN PREBOOKING - WHILE SUPPLIES LAST

IF PLANTED 32,000 PER ACRE, EACH BAG WILL COVER 2.5 ACRES. ALL SALES ARE FINAL.

Before opening a bag of seed, be sure to read, understand and accept the stewardship requirements, **including applicable refuge requirements for insect resistance management,** for the biotechnology traits expressed in the seed as set forth in the Monsanto Technology/Stewardship Agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation to comply with the most recent stewardship requirements.

Monsanto Company is a member of Excellence Through Stewardship® (ETS). Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. Only commercialized products have been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization. B.t. products may not yet be registered in all states. Check with your Monsanto representative for the registration status in your state. IMPORTANT IRM INFORMATION: RIB Complete® corn blend products do not require the planting of a structured refuge except in the Cotton-Growing Area where corn earworm is a significant pest. See the IRMGrower Guide for additional information. Always read and follow IRM requirements. ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Roundup Ready® crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup® brand agricultural herbicides. Roundup® brand agricultural herbicides will kill crops that are not tolerant to glyphosate. RIB Complete®, Roundup Ready® and VT Double PRO® are trademarks of Monsanto Technology LLC. *Our Pet Food Price Guarantee isn't a gimmick, game, or "limited time" sale. Unlike other stores and online companies, whose prices can change at the drop of a hat, we don't play games with our prices. We make it simple for you: we have the brands and flavors of pet food you need at the best prices every time you walk into our store. There are no clubs to join. No waiting for deliveries. No subscription necessary. If you happen to come across a price that is lower than ours, we want to know about it. Please show us, and we will match it right then and there. Because at Rural King, our pet food prices WON'T BE BEAT. Guaranteed.
